

## 2024 Tough Days- Final Results!

Originally set for mid-January, chilly temperatures forced a two-week postponement. In hindsight, it turned out perfectly! We enjoyed two fantastic days of weather and fierce competition.

Starting 4 shots behind after round 1, Blake Williamson and Brandon Masters made an incredible comeback, seizing the championship with an unbelievable final round of 61. Top 3 spots were also claimed by the impressive teams of Robbie/Nicky Biershenk and Jacob Burgess/Bernie McShane.

Special congratulations to the "SKIN Pot" winners. With only 1 "skin" out each day, the winners took home \$1700.00 each.
